COLLEGE OF AGRICULTURE, ENGINEERING AND SCIENCE

**LECTURER nGAP
(AGRICULTURAL/BIO-RESOURCES ENGINEERING)
SCHOOL OF ENGINEERING
PIETERMARITZBURG CAMPUS**

REF NO.: ENG04/2017

Are you interested in becoming a researcher that contributes to the cutting edge of knowledge in the field of Agricultural/Bio-resources Engineering? Are you inspired by facilitating the learning of others so that they can apply their knowledge back into the field of Agricultural/Bio-resources Engineering, which connects the living world of plants, soil, water and animals with the technology of engineering, i.e. systems, structures and machines?

Are you excited by being able to contribute to developing communities in the field of Agricultural/Bio-resources Engineering? Do you want to grow into an academic and researcher in this exciting field? If your answer is yes, then we would like to offer you an exciting opportunity, in collaboration with the Department of Higher Education's New Generation of Academics Programme, to join the University of KwaZulu-Natal and become part of our journey to becoming the premier University of African Scholarship. The successful candidate will be closely mentored and guided as they develop through the programme.

The incumbent will report to the Dean and Head of School.

Minimum Requirements:

- An appropriate Master's degree in Engineering
- South African Citizen

The successful applicant will be expected to complete a PhD within 5 years from the date of assumption of duty.

A brief statement of motivation regarding the applicant's aspiration to become an academic and a researcher, must accompany the applications.

These appointments will be made in line with the University guidelines/benchmarks which are available on the University Vacancies website on <http://vacancies.ukzn.ac.za/Academic-Process-Proc-Guides.aspx>.
