

The University of KwaZulu-Natal (UKZN) is committed to meeting the objectives of Employment Equity to improve representivity within the Institution. Preference will be given to applicants from the designated groups in accordance with Employment Equity.

**COLLEGE OF HEALTH SCIENCE**  
**SCHOOL OF NURSING AND PUBLIC HEALTH**  
**LECTURER (NEW GENERATION OF ACADEMICS (nGAP)**  
**OCCUPATIONAL AND ENVIRONMENTAL HEALTH (EXPOSURE SCIENCE IN**  
**ENVIRONMENTAL EPIDEMIOLOGY)**  
**HOWARD COLLEGE CAMPUS**  
**REFERENCE NUMBER: NPH04/2024**

Are you interested in becoming a researcher that contributes to the cutting edge of knowledge in the field of Environmental and Climate Epidemiology and Exposure Science? Are you inspired by facilitating the learning of others so that they can apply their knowledge back into the field of environmental epidemiology and protecting the health of communities from environmental exposure? Are you excited by being able to contribute to developing communities in these fields? If your answer is yes then we would like to offer you an exciting opportunity, in collaboration with the Department of Higher Education's New General Academic Programme, to join the University of KwaZulu – Natal and become part of our journey to becoming the premier University of African Scholarship. Successful candidates will be employed on by the University while they complete their doctoral studies or their postdoctoral training and embark on academic pathways.

The incumbent will report to the Academic Leader: Occupational and Environmental Health and the Dean and Head of School of Nursing and Public Health.

**Minimum Requirement:**

- All applicants must have an undergraduate degree in environmental health, environmental sciences or basic sciences
- A relevant master's degree in exposure science or environmental epidemiology
- Computer Literacy

A relevant PhD degree in exposure science or environmental epidemiology will be considered an advantage. If applying with a master's qualification, then The successful candidate will be expected to complete a PhD within 3 years of date of assumption of duty.

A brief statement of motivation regarding the applicant's aspiration to become an academic and a researcher, indicating the areas of work since completion of their masters and/or PhD must accompany the application.
