

The University of KwaZulu-Natal (UKZN) is committed to employment equity with the intention to promote representativity within the Institution. Preference will be given to applicants from designated groups in accordance with our Employment Equity Plan.

COLLEGE OF HUMANITIES

**SCHOOL OF APPLIED HUMAN SCIENCES
PSYCHOLOGY
SENIOR LECTURER (2 POSTS)
HOWARD COLLEGE CAMPUS (DURBAN)
REFERENCE NUMBER: AHS06/2018**

The School of Applied Human Sciences is a destination of choice for students and scholars seeking a deeper understanding of media and health communication, criminology, psychology and social work models informed by African and other indigenous perspectives; while remaining cognisant of the internationalisation imperative.

The staff are involved in a range of exciting research projects comprising: race, gender and identity; research ethics including the ethics of HIV clinical trials; African indigenous knowledge systems including African approaches to peace building; child development; inclusive education; child abuse and neglect; child trafficking and social justice; psychology and spirituality; wellness in the workplace; and primary health care.

The School of Applied Human Sciences offers undergraduate and postgraduate courses in core and specialized areas in general and professional psychology, health promotion, social work, criminology and media studies. The School also has a number of specialized research projects. The person appointed to the advertised post will assist with coordination and teaching of research modules in Psychology at undergraduate and postgraduate levels as well as health promotion at post-graduate level. S/he will also be expected to contribute to other programmes and activities offered in the School, including research supervision. The appointee should have an interest in research, and will be expected to be actively engaged in research and publication, and to supervise postgraduate research at appropriate levels.

MINIMUM REQUIREMENTS: SENIOR LECTURER

- A doctorate degree in Psychology/Health Promotion;
- At least three years' teaching experience in psychology and/or health promotion related modules at tertiary undergraduate and postgraduate levels;
- Evidence of successful supervision of postgraduate research commensurate to the level of Senior Lecturer at UKZN and;
- Evidence of an appropriate publication record in peer reviewed books and journals commensurate to the level of Senior Lecturer at UKZN.
- At least one of the successful appointments will be in the fields of statistics/quantitative research methodology
- Registration or eligibility for registration as a Clinical or Counselling Psychologist with HPCSA.

NOTES:

- At least one of the posts will be allocated to a successful candidate who has expertise in teaching statistics/quantitative methodology.
- One post may be allocated for Health Promotion.

This appointment will be made in line with the University guidelines/benchmarks which are available on the University Vacancies website on <http://vacancies.ukzn.ac.za/Academic-Process-Proc-Guides.aspx>

Enquiries and details regarding this post, may be directed to Letitia Naidoo, email address: Naidool9@ukzn.ac.za

Appointment to this post will be on the January 2018 Conditions of Service. The remuneration package offered includes benefits.

The closing date for receipt of applications is 14th September 2018

Applicants are required to complete the relevant application form which is available on the Vacancies website at www.ukzn.ac.za.

Completed forms may be sent to recruitment-humanities@ukzn.ac.za
