COLLEGE OF AGRICULTURE, ENGINEERING AND SCIENCE

**SENIOR LECTURER/LECTURER (FORENSIC/POPULATION GENETICS)
SCHOOL OF LIFE SCIENCES
WESTVILLE CAMPUS**

REF NO.:LS01/2021

The University of KwaZulu-Natal is one of the top Universities in South Africa and in the top 500 Universities globally. The School of Life Sciences is well established with a strong research profile and has a large number of undergraduate and postgraduate students. The School offers a vibrant educational and research environment in Life Sciences, with strong national and international collaborative research linkages.

In order to strengthen its teaching and research in the area of Genetics and Forensic Genetics, the School seeks to appoint an academic with expertise in Forensic Genetics and/ or Populations Genetics. S/he will be expected to contribute actively to teaching and research in the discipline. Preference will be given to those applicants whose research complements and expands existing programs in the School and University.

The incumbent will report to the Academic Leader: Cellular Biology.
