

The University of KwaZulu-Natal (UKZN) is committed to Employment Equity.

COLLEGE OF AGRICULTURE, ENGINEERING AND SCIENCE

**PROFESSOR/ASSOCIATE PROFESSOR/SENIOR LECTURER (ELECTRICAL ENGINEERING)
SCHOOL OF ENGINEERING
HOWARD COLLEGE CAMPUS**

REF NO.: ENG04/2014

The position is in the field of Control Systems. The incumbent will be required to teach undergraduate and postgraduate students, develop independent research programmes, supervise research and undertake administration duties.

The incumbent will report to the Academic Leader.

Minimum Requirements:

All applicants must have a BSc (Eng) degree in a relevant field. In addition, the following apply to each of the levels indicated below.

Professor:

- PhD degree in the relevant field
- 8 years relevant teaching experience in a tertiary institution
- A proven record of sourcing research funding
- A recognized leader in field of specialization with an extensive and current research and publishing record in accredited journals and peer reviewed conferences
- Evidence of success in post graduate supervision
- Evidence of management and leadership experience
- The ability to work both within the University and externally on collaborative projects.

Associate Professor:

- PhD in an appropriate area
- 5 years experience in either University teaching or relevant experience in an industrial or research environment
- A current record of research as evidenced by publications in accredited journals and peer reviewed conferences
- Evidence of success in post graduate supervision or extensive mentorship in an industrial or research environment
- A proven record of sourcing research funding

Senior Lecturer:

- PhD degree in an appropriate area
- 2 years experience in University teaching or relevant experience in an industrial or research environment
- A current record of research as evidenced by publications in accredited journals and peer reviewed conferences in a relevant field
- Evidence of success in post graduate supervision or extensive mentorship in an industrial or research environment

This appointment will be made in line with the University Guidelines/benchmarks which are available on the University Vacancies website on <http://vacancies.ukzn.ac.za/Academic-Process-Proc-Guides.aspx>

Enquiries and details regarding this post, as well as requests for a job profile may be directed to the Academic Leader, Professor T Afullo, 031 260-2713 or e-mail: AfulloT@ukzn.ac.za

Appointment to this position will be on the January 2012 Conditions of Service.

The total remuneration package offered includes benefits.

The closing date for receipt of applications is 28 February 2014.

Applicants are required to complete the relevant application form which is available on the Vacancies website at www.ukzn.ac.za. Completed forms may be sent to Recruitment-aes@ukzn.ac.za.

Applicants MUST please indicate the level they wish to be considered for, together with the Avert Reference Number, which must be clearly stated in the subject line.
