

The University of KwaZulu-Natal (UKZN) is committed to Employment Equity with the intention to promote representivity within the Institution.

**QUALITY CONSULTANT (3 POSTS)
QUALITY PROMOTION AND ASSURANCE**

REF NO.: TL06/2016

A Quality Consultant's main role is to assist in the development of internal quality assurance systems for the academic functions of the University. A Quality Consultant generally works with a specified College of the University, participating in programme design and approval processes, teaching portfolio development and evaluation, facilitating discussion on quality issues, taking responsibility for conducting external reviews and implementation of quality-related policy and procedures. Carrying out research into quality-related matters, and profiling the work of Quality Promotions and Assurance, are integral to the function.

Minimum Requirements:

Grade 7 (Equivalent to Senior Lecturer level):

- Doctoral degree
- Minimum five (5) years' teaching experience in higher education
- A record of research and publications
- Evidence of experience in leading and conducting quality assurance and promotion processes in higher education.

Grade 8 (Equivalent to Lecturer level):

- Master's degree
- Minimum three (3) years' teaching experience in higher education
- Evidence of experience in conducting research
- Evidence of participation in quality-related processes in higher education.

The total remuneration package offered includes benefits. Appointment will be on Conditions of Service 2012. Due to the nature of the duties, incumbents will be appointed on Conditions of Service pertaining to professional support staff whilst being remunerated in accordance with academic salary ranges.

The closing date for receipt of applications is 5 February 2016.

Applicants are required to complete the relevant application form which is available on the Vacancies website at www.ukzn.ac.za. Completed forms may be sent to Recruitment-jm@ukzn.ac.za.

Advert Reference Number MUST be clearly stated in the subject line.
