The incumbent will assist the Manager: School Operations, in the management, administration and delivery of School operations. This will include the implementation and monitoring of the University policies and procedures, and management of a range of finance, human resources and general processes within the School. S/he will be responsible for the management of the designated centre(s) of operations and the direct or indirect management of the professional services staff.

In liaison with the Academic Leader: Teaching and Learning, Academic Leader: Research, and Manager: School Operations, s/he will also focus on the effective management of the academic programmes, student administration as well as research administration and will be responsible for coordinating both the undergraduate and postgraduate examinations processes.

The incumbent will report to the Manager: School Operations.

**Minimum Requirements:**

- Matric plus relevant three year qualification
- Three years relevant experience (management of student and academic processes, and one of either administration and management of financial processes; or human resources; or research administration) of which two must be at a management or supervisory level

- Proficiency in relevant computer software
- Excellent written and verbal communication, including proven experience in high level report writing

Short-listed candidates may be required to undergo a skills test.
