COLLEGE OF AGRICULTURE, ENGINEERING AND SCIENCE

**LECTURER NGAP
(AGRICULTURAL/BIORESOURCES ENGINEERING)
SCHOOL OF ENGINEERING
PIETERMARITZBURG CAMPUS**

REF NO.: ENG02/2019

Are you interested in becoming a researcher that contributes to the cutting edge of knowledge in the field of Agricultural/Bioresources Engineering? Are you inspired by facilitating the learning of others so that they can apply their knowledge back into the field of Agricultural/Bioresources Engineering which connects the living world of plants, soil, water and animals with the technology of engineering, i.e. systems, structures and machines?

Are you excited by being able to contribute to developing communities in the field of Agricultural/Bioresources Engineering? Do you want to grow into an academic and researcher in this exciting field. If you answer is yes, then we would like to offer you an exciting opportunity, in collaboration with the Department of Higher Education's New General Academic Programme, to join the University of KwaZulu-Natal and become part of our journey to becoming the premier University of African Scholarship. The successful candidate will be expected to register for doctoral degree at UKZN and will be closely mentored to becoming an academic through a developmental programme and with early career development.

The incumbent will report to the Academic Leader of the Agricultural and Civil Engineering, Land Surveying and Property Development Cluster.

Minimum Requirements:

- A BSc Engineering or B. Engineering degree in a relevant field
- A Masters degree in an appropriate area
