The University of KwaZulu-Natal (UKZN) is committed to meeting the objectives of Employment Equity to improve representivity within the Institution.

<u>REGISTRAR'S DIVISION</u>
OCCUPATIONAL HEALTH NURSING PRACTITIONER
RISK MANAGEMENT SERVICES

(PEROMNES GRADE 9)
PIETERMARITZBURG CAMPUS
REF NO.: RMS 02/2016

The Occupational Health Nursing Practitioner (OHNP) will manage and maintain an efficient occupational health service and a risk based medical surveillance programme for all University of KwaZulu-Natal employees on the respective campus to which they are based. In addition, he/she will provide, with the assistance of the other S.H.E. team members, a working environment, which is safe and healthy, taking into account policies, procedures and legal requirements.

Minimum requirements:

- Diploma/Degree in General Nursing with current registration with the South African Nursing Council
- Post-basic Occupational Health Nursing qualification recognized by the South African Nursing Council (Certificate, Diploma or Degree in Occupational Health Nursing Science)
- Certificate in Audiometry and Spirometry
- Current registration with Nursing Council as an OHNP, Professional Indemnity and valid license to dispense
- Minimum of three years of experience in an Occupational Health environment
- Computer Literacy

The total remuneration package offered includes benefits. This appointment will be made on the 2012 Conditions of Service.
