The Centre for Rural Health (CRH) seeks to appoint a Researcher to assist with research design, data management, data analysis and presentation of research findings within the Centre.

The post reports to the relevant Principal Investigator (PI) within the Centre.

#### **Minimum Requirements:**

- Master's Degree in psychology, or health related or research field
- Proven research experience in the following areas:
  - data management, data validation, data cleaning and data filing
  - developing data collection tools
  - collecting of quantitative and/or qualitative data (or supervision thereof)
  - data entry (or supervision thereof)
  - setting up databases
  - data analysis
  - reporting of research findings
- Computer skills: e-mail, word processing and spreadsheets
- Experience in the use of relevant statistical software including Epi-info, SPSS, SAS, Stata.
- Good writing and communication skills
- A driver's licence

#### **Advantages**

- Isi Zulu speaking
- Facilitation experience
- Experience undertaking research activities in rural areas
- Experience in health-related research
- Presentation of research data in peer reviewed journal or conference
- Some experience with financial management of projects

The successful candidate will be expected to travel.

This post reports to the CRH Director: The job profile is available from Mr Glen Naidoo, Tel Number: 031 260 1569 or e-mail: crh@ukzn.ac.za.

**The closing date for receipt of applications is 02 August 2016**
