

**The University of KwaZulu-Natal (UKZN) is committed to meeting the objectives of Employment Equity to improve representivity within the Institution.**

**COLLEGE OF HEALTH SCIENCES**

**SCARCE SKILL RESEARCH ASSISTANT  
(FOUR MONTHS CONTRACT RENEWABLE)  
01 AUGUST TO 30 NOVEMBER 2018 (TWO DAYS PER WEEK)  
SCHOOL OF NURSING AND PUBLIC HEALTH**

**HOWARD COLLEGE CAMPUS**

The Discipline of Occupational and Environmental Health wishes to appoint a Clinical Technologist specialising in Paediatric Pulmonology to be part of the study team for "The Mother and Child in the Environment" (The MACE Cohort). This is a large cohort study which is within the Durban region.

**Minimum Requirements:**

- Nat Dip (Clin Tech) or completion of BTech (Clin Tech) in the next 6 months
- At least 3 months experience in either adult or paediatric spirometric assessments
- Time management skills, basic organizational skills and ability to consistently meet deadlines.
- Good personal skills, strong service ethic and sensitivity to patient information
- Professionalism and attention to detail and accuracy.

**The following will be an advantage:**

- Experience in paediatric pulmonology and having the passion to work with children.
