College of Health Science
School of Nursing and Public Health
CENTRE FOR RURAL HEALTH

PROFESSIONAL NURSE FOR RURAL HEALTH (INTEGRATING SERVICES FOR IMPACT AND SUSTAINABILITY)

(ONE YEAR FIXED-TERM APPOINTMENT FOR HALF MONTHS)

Description	The main purpose of this post is to participate in the Integrating Services for Impact and Sustainability (ISIS) project in partnership with the KZN Department of Health. The Professional Nurse will function as a quality mentor for health workers and community care givers at primary health clinics in the UThukela District.
Duty station	Ladysmith, uThukela district, KZN
Remuneration package	The remuneration package will be dependent on the qualifications and experience of the successful applicant. <i>There is a possibility that the post will become a one year fixed term- for full 12 months</i>

MINIMUM REQUIREMENTS:

- A professional nurse
- Current registration with the South African Nursing Council.
- At least one year's experience in rural health in South Africa as a professional nurse or midwife
- At least one year's experience of health service management
- Proven experience in facilitation or teaching of health workers
- Valid Driver's Licence as the incumbent will be required to travel

Additional requirements: preference will be given to candidates to have:-

- Experience in working in primary health clinics
- Experience in managing projects
- Experience in mentoring health workers
- Good writing and communication skills.
- Computer literacy with knowledge & experience in the use of MS Office Suite
- Experience in quality mentoring methodology

Applicants are required to submit detailed Curriculum Vitae, highlighting their experience in each of the minimum requirements listed above together with the full contact details of three (3) referees.

Applications must be forwarded to:
