

The University of KwaZulu-Natal (UKZN) is committed to meeting the objectives of Employment Equity to improve representivity within the Institution. Preference will be given to applicants from designated groups in accordance with our Employment Equity Plan.

COLLEGE OF AGRICULTURE, ENGINEERING AND SCIENCE

**LECTURER (BIOLOGY)
SCHOOL OF LIFE SCIENCES
PIETERMARITZBURG CAMPUS**

REFERENCE NO.: ukzn_000198

The University of KwaZulu-Natal is one of the top Universities in South Africa and in the top 500 Universities globally. The School of Life Sciences is well established with a strong research profile and has a large number of undergraduate and postgraduate students. The School offers a vibrant educational and research environment in Life Sciences, with strong national and international collaborative research linkages.

The incumbent will be expected to contribute to teaching and research in the Biology (animal physiology) programme on the Pietermaritzburg campus. S/he will also be expected to contribute to undergraduate and postgraduate curriculum development, and supervise postgraduate students. S/he would also be expected to contribute to administration in the School. A strong background in animal physiology is essential.

The incumbent will report to the Academic Leader: Biodiversity and Evolutional Biology.

Minimum Requirements:

- PhD degree in Biology or relevant discipline **OR** MSc degree in Biology or relevant discipline, with evidence of submission of a PhD thesis for examination.
- Experience in teaching in a relevant field at a tertiary institution.
- Evidence of presentations at national or international conferences.
- Current research activity as evidenced by a publication in quality scientific journals.

This appointment will be made in line with the University Guidelines/benchmarks which are available on the University Vacancies website on <http://vacancies.ukzn.ac.za/Academic-Process-Proc-Guides.aspx>.

Enquiries and details regarding this post, may be directed to the Dean and Head of School, Professor A. Olaniran, 031 260 7400 or e-mail: olanirana@ukzn.ac.za.

Appointment to this position will be on the January 2018 Conditions of Service.

The total remuneration package offered includes benefits.

The closing date for receipt of applications is 17 November 2023

All applicants are required to apply online via <https://ukzn.ci.hr/applicant/index.php>.

Advert Reference Number MUST be clearly stated in the subject line.

Kindly note that the University of KwaZulu-Natal (“the University”) is required to process any Personal Information (as defined by the Protection of Personal Act, 2013 “POPIA”) submitted by candidates when applying for positions at the University. The provision of the Personal Information is a requirement in terms of the University’s recruitment and selection process. The retention of any personal information is as a consequence of the University being bound by legislative requirements and / or good governance practices as well as record keeping for statistical purposes. The University will endeavour to ensure that the appropriate security measures are in place and implemented for both electronic and paper-based formats that are used for processing of the personal information recorded through this recruitment and selection process.
