PSYCHOLOGY COORDINATOR (12 MONTH CONTRACT)
GRADE 9
REF NO.: PSYCHOLOGY COORDINATOR**

MhINT is a project is a collaboration between the University of KwaZulu-Natal, the University of Washington, and I-TECH South Africa to scale up integrated mental health care in three districts in three provinces in South Africa funded by the United States Centres for Disease Control and Prevention.

The Psychology coordinator will be responsible for supporting the efficient and effective implementation of the scale up of evidence based psychosocial programming as part of the integration of mental health into chronic care platforms in the primary health care system in South Africa. The Psychology coordinator will serve as the member of the multi-disciplinary team with the responsibility of developing training and support materials, training and providing mentoring support for the integration of psychosocial programmes in identified clinics and communities in the targeted area.

Minimum requirements:

- Masters in Clinical/Counselling Psychology
- Experience in running training workshops for non-specialists in mental health programmes
- Experience with programme planning
- Proven ability to analyse, and interpret data and write reports.
- Fluent in English and isiZulu

Advantages

- Valid South African drivers licence
- Research experience in the field of public mental health

The candidate will be required to travel throughout South Africa. The project does not cover any relocation costs.
