

The University of KwaZulu-Natal (UKZN) is committed to meeting the objectives of Employment Equity to improve representivity within the Institution. Preference will be given to applicants from designated groups in accordance with our Employment Equity plan

COLLEGE OF AGRICULTURE, ENGINEERING AND SCIENCE

**LECTURER (ENVIRONMENTAL MANAGEMENT)
SCHOOL OF AGRICULTURAL, EARTH AND ENVIRONMENTAL SCIENCES
PIETERMARITZBURG CAMPUS**

REF NO.: AEES12/2020

The School has an active group of academic staff contributing to research and teaching in the fields of atmospheric science, biogeography, environmental management, geomorphology, GIS, and remote sensing, and seeks an individual who will help in strengthening its activities in environmental management. The incumbent will be tasked with undergraduate teaching within environmental management at all levels using curricula in keeping with modern developments in that field, and will assist in developing discipline-wide postgraduate teaching programmes across the School. The incumbent must show expertise in teaching the content of existing undergraduate Physical Geography courses, with a particular focus on environmental management and climatology/atmospheric science courses. In addition to teaching, s/he will be expected to develop and maintain an active research programme that will involve supervision of postgraduate students and attract external funding. S/he will also be expected to be involved in the School administration and outreach activities.

This incumbent will report to: Academic Leader: Geography Cluster.

MINIMUM REQUIREMENTS:

- A Masters degree in Environmental Management or any other relevant field
- Two years post Masters research experience
- A current and sustained research publication record in peer-reviewed ISI/DoHET accredited journals appropriate for this level
- Demonstrable ability to teach at a tertiary level

The successful candidate at Lecturer level will be expected complete a PHD within 5 years from date of assumption of duty.

This appointment will be made in line with the University guidelines/benchmarks which are available on the University Vacancies website on <http://vacancies.ukzn.ac.za/Academic-Process-Proc-Guides.aspx>.

Enquiries and details regarding this post may be directed to Prof John Odindi email: odindi@ukzn.ac.za.

Appointment to this position will be on the January 2018 Conditions of Service.

The total remuneration package offered includes benefits.

The closing date for receipt of applications is 16 November 2020.

Applicants are required to complete the relevant application from which is available on the Vacancies website at www.ukzn.ac.za Applicants are requested to clearly indicate the level they are applying for. Completed forms AND Curriculum Vitae may be sent to recruitment-aes@ukzn.ac.za.

Advert Reference Number must be clearly stated in the subject line.
