COLLEGE OF HUMANITIES

SCHOOL OF BUILT ENVIRONMENT & DEVELOPMENT STUDIES

SENIOR LECTURER/LECTURER

HOUSING

HOWARD COLLEGE CAMPUS

REFERENCE NUMBER : BEDS03/2020

The School of Built Environment and Development Studies is a multi-disciplinary research and teaching with Programs in Architecture, Community Development, Development Studies, Housing, Planning and Population Studies. This School combines undergraduate and post-graduate teaching, research and community engagement. The School seeks to appoint two lecturers to teach, supervise and provide academic leadership in the Discipline of Housing. The successful candidate will be expected to lecture both undergraduate and postgraduate students; to contribute to the academic and management functions of the School and to conduct and publish research.

The main purpose of this post is the training and education of students in the technology aspects of the Discipline of Housing and to build the knowledge base of technology in the discipline through research and publication. Administration of certain teaching activities within the discipline is also required. Lecturers are expected to establish themselves as experts in their field and should be active in community engagement related to their discipline.

MINIMUM REQUIREMENTS: SENIOR LECTURER

- A PhD in Housing related technology field, such as Architecture, Quantity Surveying and/or Engineering.
- Teaching, supervision or research experience of at least 3-4 years at tertiary or research institution.
- Evidence of high impact research scholarship and publication record.
- Professional registration or eligibility for registration in the abovementioned fields.
- Must be able or have experience in teaching three of the following modules: Housing Technology 1A, Housing Technology 1B, Human Habitat, and Construction Economics.

MINIMUM REQUIREMENTS: LECTURER

- A Master's degree in Housing with strong orientation in housing technology, quantity surveying (or related technology field) with substantial progress and evidence towards completion of a PhD.
- Teaching, supervision or research experience of at least 3-4 years at tertiary, public, or research institution.
- Evidence of appropriate research and publication record.
- Professional registration or eligibility for registration in the abovementioned fields
- Must be able or have experience in teaching three of the following modules: Housing Technology, Sustainable Human Settlement, and Construction Economics.

NB: This is a re-advertisement, candidates who applied for the position in 2019 need not to re-apply for the posts.

Please note that short-listed candidates may be required to undertake a skills test. The remuneration package offered includes benefits and will be dependent on the qualifications and/or experience of the successful applicant. Applicants are required to send an Application form, certified copies of qualifications, cover letter and CV and providing evidence for, each of the minimum requirements and advantages as listed above. The application form can be found at <http://vacancies.ukzn.ac.za/Home.aspx> (Academic staff). This appointment will be made in line with the University guidelines/benchmarks which are available on the University Vacancies website on <http://vacancies.ukzn.ac.za/Academic-Process-Proc-Guides.aspx>. The closing date for receipt of applications is **08 November 2020**. Enquiries and details regarding this post, as well as the request for the job profile may be directed to Ms Sphindile Mvuyana, email address: Mvuyanas@ukzn.ac.za
